THE ROSS SMITH STAMP & ITS POSTAL HISTORY

The definitive reference guide

FIRST EDITION

TOM FROMMER

The Ross Smith Stamp & its Postal History

A new definitive reference guide has been written by Tom Frommer MAP following more than 20 years of collection, analysis and study of the subject.

The book of 144 pages is fully illustrated and contains much previously unpublished information including rarity, pricing, statistical analysis, historical background and documentation. Every known cover, stamp, letter and forgery is illustrated.

This publication illustrates and describes:

- 215 flown covers (including 2 in the addendum)
- If we include the 4 forged covers with genuine stamps and the 31 used stamps removed from flown covers, the total identified number is 250 of 364 which were originally carried.
- 31 used stamps on or off paper
- 4 forged covers
- 15 pages of enclosed letters
- 13 photos of intermediate covers without the Ross Smith stamp
- 36 mint stamps with complete selvedge
- 16 mint stamps without selvedge
- 14 covers flown by French aviator E. Poulet
- Valuation of all the above described items

Publication Price:

AUD \$49.95
